

General Labourer

**MTX Fruit Ripening Systems N.A.
Rockwood, Ontario**

Employment Type: Full Time

Job Description

MTX is looking to add a bright and hardworking individual to our team. This position provides a great opportunity to take part in various aspects of building and servicing proprietary MTX systems. You will be required to learn on the job, operate both hand and power tools, and maintain attentiveness to detail.

We are offering the right individual the opportunity to advance with our company, have diversity in daily responsibilities, and competitive wages based on experience and attitude.

Specific Responsibilities:

- Assembly of proprietary equipment
- Light fabrication of components/pieces
- Travel to customer facilities to assist in assembly/construction of MTX systems or maintenance.
- Shipping & Receiving
- Communicate respectfully with both MTX team, suppliers, trades contributing to a desirable working environment.
- Be receptive to both internal and external training personnel
- Maintain a clean and organized working environment
- Travelling required

Desired Skills and Experience:

- General construction experience would be an asset
- Fall arrest, aerial boom, forklift, and WHIMIS training would be an asset
- Self-starter, motivated

- High school diploma
- Proficient with hand tools
- Willing to learn
- Teachable
- Must have valid driver's license and transportation

We thank all applicants for their interest in a career at MTX, however, only those candidates in consideration for an interview will be contacted.

Please submit resumes to info@mtxfruitripening.com
